

Material Handling Equipment

GPT-HPT-025 - Hand pallet trolley

- High reliability, suitable for a varying environments, It can be used for 3-5 years under normal maintenance
- The first design of forging & casting integral pump, which prevents any loosening and leakage
- High-strength alloy steel carefully crafted, increased loading capacity
- Set the active safety valve to prevent overloading
- 54mm fork thickness ensures high capacity

Hand Pallet Truck

Model	Load Capacity (Kg)	Load Centre Distance	Net Weight (Kg)	Lifting Height (mm)	Lowered Height (mm)	Overall Length (mm)	Distance between fork arms (mm)
GPT-HPT-2500KG	2500	500	70-80	195/185	85/75	1534/1604	520/550/685
GPT-HPT-3000KG	3000	500	70-80	195/185	85/75	1534/1604	520/550/685
GPT-HPT-5000KG	5000	500	170	195/185	85/75	1534/1604	520/550/685
