

Hand saw HBE400***

Cutting depth up to 150 mm

405 mm saw blade with cutting depth up to 150 mm and flush cutting function with optional accessories

3.2 kW electric motor with fully integrated electronics

Integrated dust extraction connection for dust-free, clean working

The HBE400*** is a 3.2 kW hand-held saw for cutting depths up to 150 mm. In combination with our accessories kit, this hand-held saw is excellently suited to flush cutting. This model can be used for both wet and dry applications and its integrated

dust extraction connection enables clean working. The compact design, low weight and detachable guide rollers guarantee ease of handling and machine guidance for the user. The 230 V electric drive enables flexible working indoors and outdoors.
